Where am I going? Not far in this form. Don't worry, man, I'll be fine on my own. Have been for years.

Okay.

Give him some space. He'll figure this out. Now if only I could figure out what is going on.

WOM

Wait, figure out what? There's that feeling again. What do I need to figure out?

I need to figure out how to use my powers better! I can protect Evan!

Oh, THEM again!?

Oh!

Toma! Dust isn't listening to me! Stay back!

WHOOSH

What're ya thinking?

Well, the usual. Never saw Bucket glow up to THAT in the comics.

Ee-hee-hee, Bucket! A bon-a-fide human we can turn in to the mayor for a nice reward!

It's not much, but that'll go a long way paying off all the recent repairs and upgrades you've been needing!
